

BIG SIR MESSAGE

Hello Branch 99,

As we step into March 2025, we've navigated through some significant changes with resilience and tenacity 😊. At our Cypress Lakes meeting for February, I emphasized our commitment to your comfort and happiness, and we need your participation in our monthly meetings.

Creating a pleasant atmosphere is a priority. I've discussed the Fairway Lounge's ambiance with management, including improvements like an American flag, better sound equipment, and an enhanced menu. I'm hopeful these changes will make a difference.

Remember, we always have the option to explore other venues, though they might come at a higher cost. 💰

With spring approaching, it's time to embrace more outdoor activities. Join us for everything we have planned. All our golf events, 🏌️ including "Golf on the Go" and the SIR State Golf competitions. The first State competition is at Eagle Vines and Chardonnay on April 23 & 24, with a sign-up deadline of April 5.

Looking forward to seeing you on the golf course and at our next meeting on March 20, 2025. 😊

Your Big SIR, Ken OConnell
