

BIG SIR MESSAGE

Hello all you SIR 99 Guys,

Here we go into July 2025—hope this note finds you all doing well!

There's a lot on the agenda for our members and your BEC. We're currently discussing plans for the next luncheon, possibly at Bud's in Dixon or maybe trying something new at Makse Restaurant in downtown Vacaville. We're working on that idea now, so stay tuned.

That said, I want to share that I've had a few major setbacks on my 2025 calendar that require my attention. Because of this, my golf involvement and some other Big SIR responsibilities have taken a temporary hit. I appreciate your understanding.

Still, I strongly encourage you to plan for the upcoming State Golf Event in August at Hiddenbrooke Golf Course. It's a two-day event—get a team together and give it your best. Hit 'em long, straight, and not too many times!

Big thanks to Kent Geottman for stepping up to handle the golf roster for Andre.

Keep an eye on your email for future updates as plans continue to unfold.
Best regards,

Your Big SIR,
Kenny O'Connell
