

## BIG SIR MESSAGE

Hello, Fellow SIR's,  
I Hope you had a wonderful Christmas.

We are now looking into a new year with all the changes happening around us. One of which is our meetings at the Moose.

If you remember back in June we invited the Moose Management to speak to us about membership to the Moose fraternity at \$55.00 per year. Not many of us were interested.

Fast Forward; We now are having to pay a fee at each luncheon of \$169 for the use of their facility. But, in addition to that; our cooks, and the "Women of the Moose" that took such good care of us have been disbanded.

Your Big SIR and our dedicated BEC members are trying to find another place for us to have our luncheon meetings.

As a heads up to all my fellow SIR's....we've had it pretty good. But, now we will probably be paying a little more in a different place.

If you have any suggestions for what you might recommend to us, your BEC leaders would appreciate your quick response.

So Pay close attention to your emails AND NEWSLETTER.

Your BEC is working on what we will do for our future meetings and their cost.

I'm hoping we can resolve them with some new locations and menus.

Truly yours, Ken OConnell (Big SIR Branch 99)
