

BIG SIR MESSAGE

Hello SIR 99,
Happy September to all you SIR guys.
Hey! you know what??
'Fishing' is now a SIR State Sponsored event.
Like Golf and Bowling. Pretty cool Huh?. That
means organized fishing events to get involved
with. Man, what's next?

Your Lil SIR and I went to the State SIR meeting last Tuesday
and learned what SIR has planned. So more's the word!
You know; As a member of SIR, you'll be more physically fit,
mentally alert, and will get out of the house, (and have a happier
partner), travel, live longer, have more fun. And best of all —
make friends for life.
So enjoy it all.
and I'll see all of you at our next meeting.
Bring your friends.

Your Big SIR,
Kenny O'Connell
