BIG SIR MESSAGE

Hello SIR 99 Members,
it's almost SPRING! 🌱 Everything is green, new, and fresh and getting ready for the brand new season.

I love Spring time. As the weather begins to clear and warm up.

So let's get outside and enjoy these new, crisp days. It's taking me some getting used to our new 8:00am Golf time.

But, we all will enjoy it and appreciate it later when the weather starts to heat up.

I'm looking forward to seeing you all at our next luncheon 🍷 on April 18, 2024 at 11:00am. Be sure to contact Rick Ruggiero with a **YES** or **NO** for our attendance record.

Come join us at our BEC meeting at 10:00 am. It will be interesting for you to see how we operate our branch.

On a sad and then glad note; We have had to remove eight non-participants from our roster, **but** we have added 3 new participants in the last two months. So keep asking folks to come and join us for a golf game or luncheon.

Remember too...Lloyd Lamb is setting up a 'Dine out' with your ladies, or significant other. So be watching for his schedule to arrive soon.

Please stay healthy and warm and I'll see you all soon or at the next luncheon.

LIL SIR MESSAGE

My fellow SIR's

I would like to ask all the golfers that play at Wildhorse to do me a favor! We are all Playing a tournament golf game. This requires all of the players to maintain a good speed of golf, so that we all can play at a good pace which is fair to all of the player's. When we are all done playing we can all get together and have a good time.

**Thanks
Little Sir Mike**

Always Wear Underwear...

Always wear underwear in public, especially when working under your vehicle. From the local paper comes this story of a Brisbane couple who drove their car to the shopping centre, only to have their car break down in the car park. The man told his wife to carry on with the shopping while he fixed the car.

The wife returned later to see a small group of people near the car. On closer inspection, she saw a pair of hairy legs protruding from under the chassis.

Unfortunately, although the man was in shorts, his lack of underpants turned his private parts into glaringly public ones. Unable to stand the embarrassment, she dutifully stepped forward and quickly put her hand up his shorts, and tucked everything back into place.

On regaining her feet, she looked across the bonnet and found herself staring at her husband who was standing idly by watching.

The R.A.C.Q. mechanic however, had to have three stitches in his forehead.
