LUNCHEON FEB 19

"An old lady goes to the doctor and says 'Doc, I can't stop farting. They're silent with no smell, but I've let out 20 in the past 5 minutes sitting here.' The doc gives her some pills and tells her to come back next week. She comes back and says 'Doc, I took the pills, the farts are still silent but now they stink!' The doc says 'Great! We've cleared your sinuses, now let's work on your hearing!'"

**So your wife
apologized to
you for the very
first time today?**

**Yeah, she said
she was sorry
she ever met me.**
