To All My Fellow Sir Golfers:

The Napa golf event was a success and a lot of fun. Total prizes paid out exceeded \$3200! We are now getting ready for "Fun in Fairfield"-- a two day event at Paradise Valley and Rancho Solano golf courses in Fairfield on Wednesday May 28th and Thursday May 29th. We have extended the deadline to sign-up for this event until May 10th.

Following the Fairfield event, the Reno trip is next. We are staying at the Nugget Casino Resort in Sparks at a very good rate. We play Toiyabe golf course on Tuesday June 24th and Lakeridge golf course on Wednesday June 25th

Remember ladies are always welcome and non-members are welcome as long as they have a verifiable Index.

Let's everyone dust off your clubs and support the State SIR Golf program!!

Flyers and registration forms for events can be found at the State Golf website "[www.sirgolf.org](http://www.sirgolf.org)" We look forward to seeing you at one of these upcoming tournaments and greatly appreciate your support of them.
